Memorial Video Tributes

Memorial Video Tributes

\$160

At John F. Slater Funeral Home, we take pride in creating video tributes to honor and celebrate your loved one's life. Using music and your photos, we will create a memorial tribute that will not only be treasured during visitation, but also for years to come.

Submission Guidelines:

- Please submit up to 100 photos for our standard memorial video package
- Photo prints submitted can be as small as wallet size and as large as 8x10
- Digital photos may be submitted to us via email jfslatervideotributes@yahoo.com or on a flash drive
- All photos must be removed from frames or from photo albums before submitting
- Photos will appear in random order, if you would like them in specific order, please number the back of the photos
- We will set your memorial video tribute to the music of your choice or we can use non-descriptive piano music
You may provide your own CD or we can download the music for you. There is a list of commonly used options from our music on the back of the brochure if you need suggestions.
- Please choose 4 or 5 songs for the standard **100 photo Memorial video**
(a good rule of thumb is 1 song for every 30 photos)

Title page will display on first photo, for example:

John Smith

1938-2019

Photos will appear on the screen between 4 and 8 seconds and be timed out with the music. The video will "loop" and repeat for the duration of the visitation.
